

Artist Led Workshops

dot-art Schools works with a wide range of artists to offer your school one-day artist-led workshops in a variety of different techniques, media and subjects. All our workshops are delivered by experienced artists with full DBS clearance and public liability insurance, and can be tailored to meet your specific requirements.
Find out more about our artist workshop leaders:

Artist	Bryn Davies
Workshop	<i>Smartphone Photography 101</i>
Details	This workshop aims to help students to take better photographs by understanding the value of composition in photography. Students will photograph still life objects and people to understand the difference and further their knowledge of composition techniques. Together, the students will identify 3 positives and three negatives of using a smart phone for photography, list 4 or more ways to change the perspective of an image by the camera operator's movement, demonstrate how to use the grid overlay on the smart phone and submit one image of a person or object for a group exhibition / slide show.
Age Range	Secondary
Materials	Provided by artist: all equipment Provided by school: 1 x fully charged smartphone per student (student's own), 1 x smartphone USB cable (student's own), school to provide spare smartphones/ tablets as backup, 1 x projector, flipchart/whiteboard/ + pens for large note taking
Cost	£250
